

II. AMENDMENT TO THE SPECIFICATION

- **Statement to Amended Specification**

It is respectfully asserted that the amendments made herein to the specification and claims do not add new matter to the application.

- **Amendment to the Specification**

- Please insert before "In Fig. 2, a processor ..." on page 21 of the specification the following new paragraph:

(Handwritten notes: 625, 626, 627)
In step 625, a query is made as to whether the motion picture content displayed is for the display period.

Support for such amendment to the specification is found, among other places, at *Fig. 6* with respect to demarcated 625.
